Official Refund & Payment Policy

Operated by: James Tourist & Travel Agency
License No: ATO-KBL-1617
Effective Date: 22 January 2026

1. PAYMENT STRUCTURE & CONFIRMATION

To maintain high-security standards and logistics, all bookings are subject to the following financial protocols:

- **Deposit Requirements:** A non-refundable commitment deposit is required to initiate the securing of transportation, regional permits, and vetted field staff.
- **Final Confirmation:** A booking is legally "Confirmed" only upon the issuance of a formal Written Confirmation from JTT.
- **Payment Delinquency:** Failure to adhere to the agreed-upon payment schedule may result in the immediate forfeiture of the slot and cancellation of all reserved services.

2. DYNAMIC PRICING & COST ADJUSTMENTS

Due to the unique economic and operational environment of the region:

- **Pre-Confirmation Shifts:** Quotes are subject to change prior to final confirmation based on fluctuations in fuel prices, local permit fees, or seasonal accommodation surcharges.
- **Price Lock:** Once confirmed in writing, the base price is locked. However, JTT reserves the right to pass through any significant "Force Majeure" costs (e.g., sudden government-mandated permit hikes) that occur after booking.

3. UNIFIED BILLING FOR COUPLES

In alignment with our administrative policy, couples booking together are processed under a unified invoice.

- **Shared Liability**: The room and logistics charge is applied to the booking as a single unit.
- **Administrative Efficiency:** This avoids redundant processing fees and ensures both travelers are covered under a single, streamlined coordination file.

4. REFUND ELIGIBILITY & RECOVERABLE COSTS

Refunds are evaluated on a case-by-case basis, governed by the following constraints:

- **Non-Refundable Components:** Deposits paid to third-party providers (hotels, domestic airlines), government permit fees, and specific security coordination costs are strictly non-recoverable.
- **Services Rendered:** No refunds are available for services already initiated or completed, including partially finished itineraries.
- **Original Method:** Where applicable, refunds will be issued via the original payment channel.

5. CANCELLATIONS & RESCHEDULING

- **Guest-Initiated Cancellations:** Formal written notice is required. JTT will calculate the refundable balance based on the proximity to the departure date and the volume of non-recoverable costs.

- **Rescheduling Preference:** In lieu of cancellation, JTT offers a flexible rescheduling window (subject to a coordination fee) to preserve the client's investment while accounting for the labor involved in re-securing permits and staff.

6. AGENCY-INITIATED MODIFICATIONS (FORCE MAJEURE)

JTT may modify, delay, or cancel services due to safety threats, legal shifts, or extreme weather.

- **Alternative Routing:** Our primary response to safety-related disruptions is to provide an equivalent alternative route or experience.

- **Limited Liability:** If a total cancellation is forced by events beyond our control (war, civil unrest, government closure), refunds are limited strictly to recoverable funds. JTT is not responsible for the loss of non-refundable international airfare or external insurance premiums.

7. CURRENCY & TRANSACTIONAL RESPONSIBILITY

- **Currency:** Payments are accepted in the currency specified in the invoice (typically USD or EUR).

- **Banking Fees:** All intermediary bank fees, wire transfer charges, and currency conversion costs are the sole responsibility of the Client. The net amount received by JTT must match the invoiced total.

Policy Acceptance: Submission of a deposit constitutes full acceptance of this Refund & Payment Policy.
